

Multipurpose lithium grease cartridges

PRODUCT GUIDE · CHEMICAL-04

Multipurpose lithium grease in cartridges for compatible grease guns and specified lubrication points.

Application

Routine lubrication where the equipment calls for the selected grease grade.

Multipurpose lithium grease cartridges — reference specifications

Reference product	EPGR00045
Pack	450g cartridge
NLGI grade	2
Thickener	Lithium soap
Operating range	−20°C to +130°C
Use	General automotive and industrial greasing; plain and slow-speed bearings

These properties describe the identified reference product. Confirm cartridge fit and grease compatibility. Equal cartridge mass does not establish interchangeability between grease guns. The manufacturer recommends a separate grease for high-speed or high-temperature wheel bearings.

Details to include in your enquiry

Grease grade and existing lubricant · Cartridge dimensions and gun model · Service conditions and quantity

Technical references

[Manufacturer product information — open reference](#) · Manufacturer / supplier reference · Confirm current revision with quotation

[Find technical data sheets — open reference](#) · Product data sheet · Confirm current revision with quotation

[Find safety data sheets — open reference](#) · Safety data sheet · Confirm current revision with quotation
