

Neutral-cure silicone sealant

PRODUCT GUIDE · CHEMICAL-16

Neutral-cure silicone sealant in cartridges for compatible joints and substrates.

Application

Sealing tasks covered by the selected product's documented applications.

Neutral-cure silicone sealant — reference specifications

Reference product	Selleys Roof & Gutter Silicone, Shale Grey, 300 g cartridge, item 102253
Container	300 g cartridge
Formulation	Neutral-cure, moisture-curing 100% silicone sealant
Documented application	Weather-resistant joint sealing around roofing, gutters, flashings, skylights and common roofing substrates.

These properties describe the identified reference product. Not every silicone is suitable for potable water, food contact, immersion or structural glazing. Specify any such requirement. The pictured roofing silicone is not paintable or intended for continuous submersion; colour-specific approvals must be checked.
