

Paslode fuel cells

PRODUCT GUIDE · MISC-17

Paslode fuel cells supply compatible cordless gas nailers and are selected by the nailer model and fuel-cell reference.

Application

Replacement gas cartridges for the listed compatible framing or finishing nailer.

Paslode fuel-cell compatibility reference

Pictured type	B20543F tall framing fuel cell
Selection	Match the exact nailer and cartridge reference
Pack selection	Individual cells or the supplier's specified multipack

The references identify different fuel systems; confirm metering-valve requirements and expiry with the offered pack. Delivery arrangements are confirmed for the destination.

Fuel-cell reference	Compatible tool family
